

MAKE A DIFFERENCE

VOLUNTEER IN YOUR LOCAL COMMUNITY

Austin ISD middle and high school students need your support! APIE's volunteer opportunities are:

✓ **Math Classroom Coaching**

Support math learners by helping increase their academic self-confidence. Tutor small groups of middle school math students each week during the school day at Covington, Dobie, Martin, or Webb MS.

✓ **Secondary Mentoring**

Be a trusted, caring adult in a student's life and expand their web of support. Meet with a middle or high school student for 30 to 60 minutes weekly during the school day on an AISD campus.

**Austin
Partners in
Education**

APIE's mission is to provide college and career readiness support through individualized academic and mentoring programs to prepare students for success. Volunteers like YOU help us empower local students!

VOLUNTEER BENEFITS

- Training provided prior to first volunteer session
- Resources and support from APIE and AISD staff on an ongoing basis
- Opportunities to connect with other volunteers
- Gain experience and skills in a school setting
